Permission to be Photographed

Dear Parents or Guardians,

Occasionally, throughout the school year, pictures may be taken of students as they are engaged in the activities of our schools and or Midwestern Intermediate Unit IV sponsored activities.

These pictures and or students names may be used by the professional staff in presentations to public groups about what our school and Intermediate Unit does. They may also be used as part of news releases to area newspapers and other media concerning special activities or awards with which the students, school, or Intermediate Unit may be involved.

Your permission is necessary. Please read and complete the bottom portion of this form giving permission for your student's name and/or photograph to be used, or not used. Please return this completed form to your child's classroom teacher.
