Act 48 Data Entry Service Form

The Midwestern Intermediate Unit is providing Act 48 data entry services for any PA Certified Teacher who does not have an entity, or who does not have an entity that is an approved provider for this service.

Act 48 REQUIREMENTS

Beginning July 1, 2000, Act 48 of 1999 requires persons holding Pennsylvania professional educator certification to complete continuing education requirements every five years in order to maintain their certificates in active status. All educators holding Pennsylvania public school certification including Instructional I and II, Educational Specialist I and II, Administrative, Supervisory, Letters of Eligibility and all vocational certificates, employed or not must comply.

Educators must earn six credits of collegiate study; or six credits of PDE-approved continuing professional education courses; or 180 hours of continuing professional education programs, activities or learning experiences through a PDE approved provider; or any combination of the above every five years to maintain active certification status.

The five-year period begins on the effective date of issuance of the educator's initial Instructional I certificate. The requirements will be renewed at the end of each five-year period. Each individual's assigned five-year period is based on the date of issuance of his/her Instructional I certificate, or the date of implementation of Act 48 on July 1, 2000, whichever is later. Five-year period beginning dates can change, depending on whether an extension was granted, or if a five-year period was completed after the deadline, or other factors, in which case a new five-year period is assigned beginning the day after the previous five-year period was completed.
